IN THE MATTER OF THE PUBLIC)	
REGULATION COMMISSION'S)	
JURISDICTION OVER ONE-CALL)	
NOTIFICATION SYSTEMS INCLUDING)	DOCKET NO. 08-00342-PL
FUNDING OF PUBLIC AWARENESS)	
PROGRAMS UNDER § 62-14-7.1, NMSA 1978)	
_____)	

NOTICE OF WORKSHOP

NOTICE IS HEREBY GIVEN that the New Mexico Public Regulation Commission (“Commission”) is holding a workshop to discuss possible funding alternatives for the requirement under state law that one-call notification systems and owners and operators of pipeline facilities “promote public awareness of the availability and operation of one-call notification systems and work with state and local governmental agencies charged with issuing excavation permits to provide information concerning and promote awareness by excavators of one-call notification systems.” NMSA 1978, § 62-14-7.1 I.

THE COMMISSION FINDS AND CONCLUDES:

1. The Commission strongly believes that a strong public awareness and education program promoting public awareness of the availability and operation of one-call notification systems is essential to minimizing excavation damage in the State of New Mexico, which will in turn prevent injuries, deaths, and property damages.

2. Currently, New Mexico One Call, Inc. (“NMOC”) is the only one-call notification system in New Mexico. As the only means of funding its operational costs, NMOC charges its underground facility owner-members for locate ticket services. Most of the fees collected from underground facility owner-members are spent on operating the one-call center. Very little is

spent on public awareness and education, and no funds are spent on advertising to increase public awareness about one-call notifications systems programs.

3. The Commission believes, and many stakeholders involved in excavation have told the Commission, that a workshop would be useful to discuss how and to what extent public awareness of one-call notification systems should be funded.

IT IS THEREFORE ORDERED:

A. NMOC shall, at its own expense, host an informal workshop to solicit comments from NMOC members, other excavation industry stakeholders, and the general public for the purpose of considering funding options regarding one-call public awareness programs.

B. The informal workshop shall be held on Monday, January 12, 2009, at the Sheraton Uptown Hotel, 2600 Louisiana Blvd. NE, Albuquerque, NM 87110, commencing at 9:00 a.m.

C. All interested persons who may wish to participate are encouraged to do so.

D. Any person with a disability requiring special assistance in order to participate in this workshop should contact Gary Sloman, Executive Director, NMOC, at (505) 254-7303 at least 48 hours prior to the commencement of the workshop.

E. Copies of this Order shall be posted immediately on the Commission's official Web site.

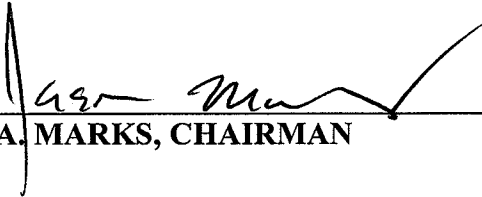

F. NMOC shall, at its own expense send copies of this Notice all of the members of NMOC.

G. NMOC shall, at its own expense, publish this Notice in the Albuquerque Journal one time at least twenty (20) days prior to the workshop.

H. This Notice is effective immediately.

ISSUED under the Seal of the Commission at Santa Fe, New Mexico this 25th day of
November 2008.
