## NEW MEXICO ONE CALL, INC. MEMBERSHIP DUES & FEES SCHEDULE

The following is a description of the dues and fees and algorithms approved by the Board of Directors of New Mexico One Call, Inc.

<b>REGULAR MEMBERSHIP</b>	<b>TYPE</b>	<b>BASIC</b>	<b>MILES OF PLANT</b>	<b>PER TICKET</b>
	Privately Owned ( non commercial)	\$100	\$0	\$0
	Non-Profit Associations and Groups	\$50	\$8.50 / mi/yr	\$0
	Business Entities and Corporations	\$110	\$2.24 /mi/yr	\$0.60/ticket
	Alternative A	\$600	\$2.24*14.107	\$0
	Alternative B	\$600	\$0	\$0.60*14.107

  

<b>ASSOCIATE MEMBERSHIP</b>	<b>TYPE</b>	<b>Yearly Fee</b>	<b>Includes</b>	<b>Additional Persons</b>
	Individuals	\$150	n/a	n/a
	Associations Groups	\$350	Three persons	\$125 per added person/year
	Contractor Excavator Companies	\$225	One person	\$125 per added person/year
	Vendors	\$300	One person	\$125 per added person/year

### **BASIC DUES**

ANNUAL BASIC DUES = \$110 + \$2.24\*MILES OF PLANT + \$0.60\*TICKETS

### **ALTERNATIVE DUES**

There are a few members and potential members whose number of tickets in relationship to the miles of underground plant falls well outside a membership "norm". The board has adopted two alternatives to compute dues for these members. These are:

**ALTERNATIVE A ANNUAL DUES = \$600 + \$2.24\*MILES OF PLANT\*14.107**  
(Applicable for members who have very few miles but receive numerous tickets)

**ALTERNATIVE B ANNUAL DUES = \$600 + \$0.60\*TICKETS\*14.107**  
(Applicable for members who have many miles of plant but receive very few tickets)

**Dues for all regular members are calculated using all three equations; basic, alternative A, and alternative B. The member is then charged the lowest of the three results.**

### **CLEARs**

Members who call in clears to notify excavators of clears will be charged \$0.20 per clear. Clears processed by web entry will be charged \$0.15 per clear. Faxed in clears are not accepted.
